**Pilgrims and Candidates**

Where have all the Pilgrims gone? And Background workers as well. While we do have Pilgrims and we do have Background workers, we are experiencing a decline in both. The same is true for Chrysalis.

The need for Walks and Flights, and the need to be there to support them, is stronger than ever. Do you have friends and family that can benefit from what the Walks and Flights have to offer? Pray about it – pray to discern if your prospective Pilgrim or Candidate is ready for a God-given weekend - and if the answer is yes, then act! It is hard to think of a more meaningful, beautiful, everlasting gift of agape.

**Pilgrim Application Process**

There are two significant changes to the Pilgrim application process. First, beginning with 2008, Pilgrims will be able to apply for any one Walk that is listed on the Calendar (please check the website for Walk status, e.g., 'Open' or 'Filled', or 'waiting list only'). Secondly, the last day to register will be determined by a postmark date, rather than a date by which the Registrar has to receive the application. (see page 7)

**Background Volunteers**

If you plan to work Background for a Walk, please be sure to fill out an application and mail it to the Background Coordinator (contact information is on the application and on page 6). While drop-in servants can be immensely helpful, knowing who is available and for how long, greatly helps with planning. Bless you for your cooperation – it makes a big difference.

**Chrysalis Report**

The October 4-7 Girl's Flight was cancelled as was the Boy's November 1-4 Flight. We ask the Community to pray for Candidates and workers for the 2008 Flights. Recommend any young man or young woman in your church, or that you know, to consider this fantastic opportunity to grow in the faith and have lots of fun. For more information, contact the next Girl's Flight Lay Director, Sarah Davis, [sarah.davis.17@gmail.com](mailto:sarah.davis.17@gmail.com) or the next Boy's Flight Lay Director, Bud Cassevah, [dalefandbud@sbcglobal.net](mailto:dalefandbud@sbcglobal.net) Fly with Christ !

## Welcome New Community Members

### Focal Point: The Walk to Emmaus

How does a Walk to Emmaus ignite a renewed love of God in our hearts? Well, perhaps you've been outside on a sunny spring day, felt the warmth of the sunshine on your shoulders, and simply felt like staying there and basking in it for awhile. Most of us can relate to that experience at some point. But have you ever spontaneously burst into flames just because the sunlight is shining down on you? Hardly.

But if someone were to bring a magnifying glass into the picture, and use it to focus the sun's light onto a small spot on your shoulder, things would be different. The magnifying glass serves to focus the sun's light in a way that multiplies its effect, with powerful results.

There's an analogy here that relates to God's love, which shines down on us continuously whether we're aware of it or not. Sometimes (when we're conscious of it) we might choose to be still and bask in it for awhile. It feels good. But we can experience God's love in a superficial way for our entire lives without ever catching fire. That is, unless there's an instrument that can bring the light of truth and Christ's love into a sharp focus on us. The Walk to Emmaus is just such an instrument.

Each member of an Emmaus team makes a deliberate effort to adopt a servant's heart, and to shape themselves (both individually and collectively) to serve the Pilgrims. As a result the Emmaus team is able to function much like a magnifying glass, an instrument that in God's hand is able to focus the truth and love of Christ onto a group of pilgrims for 72 hours. Most pilgrims have never experienced anything like this before a Walk, and most can't help but to spiritually catch fire by the end of the 72 hours.

So is it the magnifying glass itself that causes things to catch fire? No, the magnifying glass is simply an instrument. It's only the light passing through the lens that has the power to set something ablaze. The lens simply has the right shape, and is transparent to let the light pass through.

When we allow ourselves to be shaped for

service through the Emmaus team formation process, we become transparent enough to let the light of Christ's truth and love pass through us onto others, and God's power is revealed. And that gives the Walk to Emmaus an extraordinary impact on all the lives it touches.

Are you on fire for Christ? Maybe your ember has been growing cold lately. Sponsoring a pilgrim or serving on an Emmaus team can rekindle a fire in your own heart – and ignite a renewed fire in the heart of a pilgrim as well. So where's *your* focal point?.

## Fourth Day Reunion Groups

### Miracle Mike

At first he was just plain Mike, much loved husband of Cheryl, a member of our Reunion Group, and father of Michaela and Kathryn. From Cheryl's occasional prayer requests, we knew that Mike had been born with cystic fibrosis, a serious lung condition with no known cure. Even though his health had its ups and downs, Mike was living a busy, productive life.

One morning, at prayer request time in our group, Cheryl announced that Mike's health had declined and that he was being treated with I.V. antibiotics three times a day. Cheryl confided, "For the first time, I'm really scared." A few weeks later, we all received an e-mail stating that Cheryl had taken Mike to the hospital with an irregular heart beat. Things were not looking good, and urgent prayers were requested.

I'm sure that each of us stopped in our tracks to offer the first of many prayers for Mike, Cheryl, and their family. Love offerings poured out in the form of food, help with home, family, and business responsibilities, hospital visits, and continuous prayer, including a team that prayed at Mike's bedside at the hospital.

At first the news was not reassuring. Mike was very, very sick. Then came the news, "He's better!" Then, "He's much better, he's eating regular food." Then, "He's really better! He's complaining about the hospital food!" In the hospital he became known as Miracle Mike. A sign on the door stated, "A miracle happened in this room!" And finally, "Mike is coming home!"

Cheryl has since rejoined our group and told us how much our outpouring of love uplifted her entire family.

May God lead each of us to a Reunion Group so that in our time of need, our brothers and sisters in Christ will be there for us on a very personal level!

## Sponsorship

Sponsoring someone for a Walk to Emmaus is a beautiful, yet serious undertaking. We want to remind the Community of major sponsorship duties. These include:

- ✦ Praying throughout the process: Praying before the invitation is extended, Praying during preparation for the Walk, Praying during the weekend and Praying on into their Fourth Day.
- ✦ Gathering Letters
- ✦ Delivering your Pilgrim to the Walk site
- ✦ Attending Sponsor's Hour and praying for your Pilgrim
- ✦ Attending Candlelight as a part of the Community
- ✦ Attending Closing as a part of the Community
- ✦ Being available to handle errands and chores in the Pilgrim's absence
- ✦ Transporting your Pilgrim home after the Walk
- ✦ Taking your pilgrim to Gatherings
- ✦ Successfully getting them into a Reunion group

#### Please Note:

**Volunteers for Walks and Flights must submit an application for each Walk or Flight they wish to work.**

## Pilgrim Applications

**A CHANGE OF PROCEDURE:** Beginning with 2008, Pilgrims will be able to apply for any one Walk that is listed on the Community Calendar (please check the website for Walk status, i.e., 'Open,' or, 'Filled,' or, 'Waiting list only').

**ALSO CHANGING** is how the cut-off date for submitting Pilgrim applications is administered. Beginning in 2008, applications must be **POST-MARKED** at least sixteen days before the start of the Walk. (In the past, the cut-off was tied to the date the Registrar received the application.)

When a Walk is added to the Community Calendar, the last date to register, (the postmark date), will be listed with the Walk. Remember, however, some Walks fill up before then. Best advice – register early.

We pray these changes will help Pilgrims plan for Walks and take the guesswork out of when an application has to be mailed to reach the Registrar in time. Bless you for your cooperation.

Always read the Sponsorship reminders on page 6 before sponsoring anyone! Note that the \$75 pilgrim fee must accompany the application.

Applications are placed in postmark order with sponsors receiving notification when the application has been received. If there is not sufficient room for an applicant, the \$75 fee is either returned or can be applied to the next available walk. Applications should be mailed to:

## Community News *(Continued from page 1)*

**Emmaus Board:** Our Emmaus board needs a few people with servant hearts. If you are interested in serving the Community in this area, please pray about it, then contact the Community Lay Director, Rick Porter, at [comld@ncnec.org](mailto:comld@ncnec.org) for more information.

**Bylaws:** The proposed changes to the Community bylaws continue to take longer than anticipated – but you should see them in the Spring 2008 newsletter. Bless you for your patience.

## Attention All Prayer Warriors

If you haven't already done so, sign up to be part of the 72-hour Prayer Vigil. Each Walk and each Flight requires 72 volunteers to fill the 72 one-hour slots on the Prayer Wheel (Emmaus) or Prayer Scroll (Chrysalis). You are asked to pray for the Pilgrims or Candidates along with the Team and the Sponsors. This is a wonderful gift of Agape that you can do in your home, your car - anywhere that you talk with God. Remember how important the gift of prayer was for you? Pass it on!

Contact the Prayer Vigil Coordinators:
